

Complete

Pump Spray is designed specifically as a **General cleaner, Deodorizer and Disinfectant** for use in homes, hospitals, nursing homes, shower rooms, locker rooms, public restrooms, schools, food processing plants, food service establishments, transportation terminals, office buildings, manufacturing facilities, lodging establishments, retail businesses, pet shops, animal life science laboratories, and athlete/recreational facilities where housekeeping is of prime importance in controlling the hazard of cross contamination.

It is formulated to **Disinfect** hard, non-porous, inanimate environmental surfaces: floors, walls, metal surfaces, stainless steel surfaces, glazed porcelain, glazed ceramic tile, plastic surfaces, chrome, brass, copper, laminated surfaces, baked enamel surfaces, bathrooms, shower stalls, bathtubs, and cabinets. For plastic and painted surfaces, spot test on an inconspicuous area before use.

In addition, **Deodorizes** those areas that generally are hard to keep fresh smelling, such as garbage storage areas, **empty garbage bins and cans, basements, restrooms and other areas** which are prone to odors caused by microorganisms. **EPA approved.**
