A

A. MODEL 23 • ROLL-IN STYLE ONE MAN®

- allows for one man operation
- extra long wheel base for stability
- 2 level positions, full and collapsible
- includes one-inch burgundy mattress and two five-foot-long, two-piece burgundy, quick-release restraining straps
- 75-3/4" L x 20" W; max load - 400 lbs

B

B. MODEL 24 • MULTI-LEVEL, ONE MAN®

- allows one person to perform retrieval
- equipped with release levers, posts, and scuff strips
- load-end legs unfold and lock automatically when unloading cot
- highly maneuverable in confined areas
- allows portable stretcher to lie evenly in place
- includes one-inch burgundy mattress and two five-foot-long, two-piece burgundy, quick-release restraining straps
- 77" L x 20-1/2" W; max load - 400 lbs

also available with optional sidearms and/or wheel locks

SAME AS MODEL 24 w/
4" HIGHER LOADING HEIGHT

C

New Item!

C. MODEL 24-MINI-MAXX • HEAVY DUTY

- 1000 lb. load capacity allows the handling of large bodies with ease
- narrow bed-surface provides increased maneuverability and allows two cots to be placed side-by-side in the rear of most vehicles
- true independent legs with multi-level adjustment, 6 inch wheels, dual hand controls, and a distinguishable durable gloss-back powder-coated finish
- includes one-inch mattress, two seven-foot, two-piece black restraints and is compatible with most Ferno covers and pouches
- 77" L x 22-3/4" W; min 14" H to max 39" H; max load - 1,000 lbs

also available with optional sidearms and/or side lift handles

D

D. MODEL 24-MAXX • HEAVY DUTY, ONE MAN®

- unique independent-leg design helps transport up to 1,000 pounds with less chance of sustaining a back injury and wider surface of 25-1/2" adds extra stability
- additional versatility for stairs and small spaces by utilizing the loading wheels and transporting in the vertical position - dual release handles for both front and back legs allow for one person loading and unloading
- optional SL (side-lift handles) provide additional lifting points for heavier patients while helping to navigate through rough terrain
- wheel lock system, coupled with larger wheel diameter, provides greater mobility over a wide variety of surfaces
- 77" L x 25-1/2" W; min 14" H to max 39" H; max load - 1,000 lbs

also available with optional side lift handles and/or wheel locks

E

E. MODEL 27-1 • MULTI-LEVEL FIRST CALL

- tapered head and four swivel wheels for tight corner/narrow doorway ease
- end section folds to shorten cot by 15 inches
- multi-level undercarriage provides flexibility in retrieval
- loading-end wheels can be locked when necessary
- includes one-inch burgundy mattress and two five-foot-long, two-piece burgundy, quick-release restraining straps
- 78-3/8" L x 22" W; max load - 400 lbs

also available with optional sidearms

First Call Covers

F

F. MODEL 24-MAXX

- slip-over styling fits Maxx® Cots
- secured by elastic, reversible end-to-end
- fits approximately 77" x 25-1/2" and includes a 12" x 14" pocket
- made of Mordex material w/bonded in liner, in burgundy only
- can be machine washed (no heat when drying)

SEE FABRICS,

Lift, Operating & Dressing Tables

FERNO[®] MORTUARY PRODUCTS

F. MODEL 101-H • HYDRAULIC OPERATING TABLE

- hydraulic foot pedal adjusts tilt and height
- quick adjustments and individual settings, lower or raise from 28-1/2" to 40-1/2" above floor for easy preparation from a standing or sitting position
- convex table top shape drains fluids away from body, no coagulating liquids
- extra deep trough runs the perimeter of the table eliminating need for splash guards
- four, eight-inch swivel wheels lock instantly with a single foot pedal
- type 304 stainless steel with a #3 finish ensures easy maintenance
- 80" L x 30" W; max load - 600 lbs

G. MODEL 102 • FOLDING OPERATING TABLE

- ideal for embalming, dressing and transfer
- one hand release easily adjusts end of table from 32-1/2" to 38-1/2" with independently adjustable ends
- constructed of a stainless steel top with convex surface, tubular aluminum frame and six-inch, ball bearing swivel wheels that lock during use to keep table stationary
- drain, located in center of the foot-end, quickly eliminates fluids from the table
- when not in use, folds easily and can stand on end for easy storage
- 80" L x 30" W; max load - 600 lbs

H. MODEL 103 • COMBINATION OPERATING TABLE

- multi-purpose table is ideal for embalming, transfer and dressing
- ends adjust independently from 32" to 38" for individual working height and drainage
- durable, rigid stainless steel top, convex surface and deep troughs for no-splash drainage
- six-inch wheels lock to keep table stationary while in use
- 80" L x 30" W; max load - 600 lbs

I. MODEL 34 • FOLDING DRESSING TABLE

- unfolds quickly for use and stores compactly when finished
- two-piece, laminated top resists scratches and stains, can be cleaned in seconds
- four, six-inch swivel wheels are equipped with locks
- top available in grey or woodgrain
- replacement tops available in grey (1 side - #0900584 / both sides - #0663450) or woodgrain (1 side - #1901711 / both sides - #0663440)
- 76" L x 24-1/2" W; max load - 500 lbs

J. MODEL 36 • DRESSING TABLE

- one handed table height adjustment from 32" to 28"
- (4) 6 inch wheels that swivel and lock for stability
- top available in grey or woodgrain
- replacement tops available in grey (#0663640-grey) or woodgrain (#190-1194)
- 75" L x 24" W; max load - 500 lbs

K. MODEL 4000 • ULTRA CARE LIFT

- durable all-steel construction, powder-coated for long lasting finish
- 24 volt battery for smooth operating electric power, requires minimal effort to operate
- equipped with battery indicator and emergency stop
- easy to maneuver, carries both bodies and caskets
- disassembles for convenient transportation and storage
- boom height on end, raised 73" H, lowered 46" H; base 39-1/4" W; max load - 750 lbs
- hand held controller included

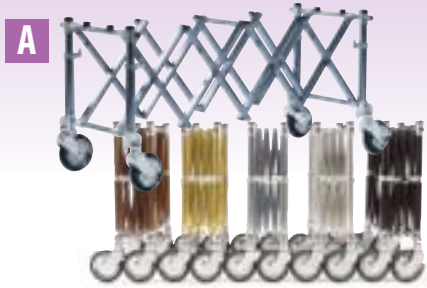

L. MODEL 38-BB • BODY BRIDGE

- elevates the body above table, allowing waste to be flushed away quickly
- can be easily moved along the outside edge of the table to provide shoulder, posterior, and ankle support to any size body
- aluminum construction and a powder-coat finish will not rust, corrode or absorb fluids
- easy cleaning and maintenance
- 25" L x 4" W x 3" H

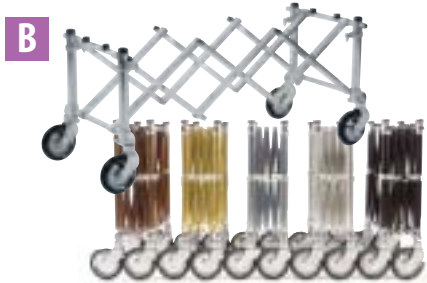

3 per set

A. MODEL 87 • CHURCH TRUCK

- easy to clean, strong, rectangular, aluminum tube with a protective, anodized finish
- stable x-frame undercarriage and rubber rests help to secure the casket
- six-inch, rubber wheels roll easily over carpet, sills and other obstacles quietly
- special, built-in handle allows truck to be pushed, pulled, or carried without casket
- locks in 4 positions to allow use on a variety of sizes of caskets
- finishes available: bronze, gold, blue-gray, silver, and black
- fully extended 61-1/4" L x 21-1/2" W; max load - 1000 lbs

B. MODEL 88 • CHURCH TRUCK

- extends to 47 inches long
- easy to clean, rectangular, aluminum tube with a protective, anodized finish
- six-inch, rubber wheels roll easily over carpet, sills and other obstacles quietly
- locks in 3 positions to allow use on a variety of sizes of caskets
- finishes available: bronze, gold, blue-gray, silver, and black
- fully extended 47" L x 22" W; max load - 1000 lbs

C. MODEL 110 • SHOWROOM TRUCK

- dual-duty truck works as both a showroom and utility truck
- strong, polished aluminum frame will look like new for years with minimal maintenance
- rubber tips hold caskets or rough boxes firmly in place
- five-inch, ball bearing wheels roll over obstacles with ease
- 44" L x 20" W x 22" H; max load - 600 lbs.

D. MODEL 112 • SHOWROOM TRUCK

- extra-long with a wide wheel base for exceptional stability
- dual-duty truck works as both a showroom and utility truck
- strong, polished aluminum frame will look like new for years with minimal maintenance
- rubber tips hold caskets or rough boxes firmly in place
- five-inch, ball bearing wheels roll over obstacles with ease
- 47" L x 22" W x 21" H; max load - 600 lbs.

- hinges up and out of the way
- vinyl mat available to protect cargo area (not shown)

Part #	Description
SR75-SUB	Suburban
SR75-EX	Excursion
SR75-2000	Suburban 2000
SR75-MAT	vinyl mat

F

F. SINGLE DECK SYSTEMS

- sealed polyethylene deck surface, aluminum extrusion design
- safer handling of stretchers and caskets
- fits most minivans, full-size vans and SUVs

Part #	Description
SS150	single deck system
SS150XL	single deck system with recessed casket roller assembly

SS150XL

A

**A. MOULDED PLASTIC TRAY**

- hi-tech plastic platform is formed with ribs for easy drainage
- re-inforced structure on the bottom enables easy mobility from rack to chassis through use of a cadaver lift

Part #	Size
T3603	82" L x 4" W x 30-1/2" H; max load 500 lbs.

B

**B. PORTABLE MORTUARY RACK**

- made of strong and durable stainless steel
- free standing with casters
- for use with T3626 tray
- side or full roller pallet makes for easy loading and unloading
- please specify 3, 4 or 5 tier

Part #	Description
7010	side rollers
7011	full roller pallet

C

**C. HAND CRANK CADAVER LIFT**

- ideal for loading and unloading trays from racks and tables
- 2 speeds with auto-brake
- 4 swivel castors w/brake for easy maneuvering

Part #	Description
M677	(stowed) 76" H x 34" L x 31-1/4" W • (operation) 76" H x 62" L x 74" W (w/stabilizer legs) max load 750 lbs.

A

- used to facilitate loading caskets, air trays and combo units
- lower cost alternative to standard chrome plated products
- roller frame is totally enclosed to prevent leaking and can be removed for easy cleaning
- frame is constructed of durable nylon material

Part #	Description
CR60	

B

B. COT POST TIPS

- for Ferno® cots
- practically indestructible, will out-last soft rubber cane tips
- protects your deck surface
- simple installation, works great with Link cot cups

Part #	Description
CPT20	

C

C. SURFACE MOUNT COT CUPS

- prevents stretcher from shifting and ruining the interior of vehicle
- solid cast aluminum
- works great with Link cot post tips

Part #	Description
CC20	undrilled
CC20-D	drilled

D

D. FLUSH MOUNT COT CUPS

- prevents stretcher from shifting and ruining the interior of vehicle
- solid cast aluminum
- works great with Link cot post tips

Part #	Description
CC25	

E

E. LONG RECESSED COT CUPS

- prevents stretcher from shifting and ruining the interior of vehicle
- solid cast aluminum
- works great with Link cot post tips

Part #	Description
CC45
